About Us

At Green Stone, we excel in landscaping, swimming pool designs, and natural stones. Green Stone, Proud esteemed subsidiary of trunk meadows, offers unparalleled expertise, ensuring your outdoor spaces are both functional and stunning.

We provide Exceptional landscaping and pool design expertise. Unmatched quality in natural stones for stunning outdoor spaces.

Soil Stabilization

- **Enhanced Strength**
Increase soil load-bearing capacity for stable construction.
- **Erosion Prevention**
Reduce erosion and maintain soil integrity for long-lasting results.
- **Durable Solutions**
Consistent stabilization for different soil types, ensuring dependable outcomes.

Reflective Coating

- Reduces heat absorption, significantly lowering cooling costs for energy savings.
- High-performance coatings provide superior reflectivity and enhance energy efficiency.
- Minimizes energy expenses by improving cooling efficiency and reducing costs.
- Durable finish offers long-lasting protection against environmental elements and wear.

Tunnel Leakage Grouting

Our tunnel leakage grouting services effectively seal leaks, preventing water ingress and potential damage. By filling voids and reinforcing the tunnel structure, we enhance its stability and integrity.

This long-lasting solution ensures your tunnels remain structurally sound and durable over time.

Rock Stabilisation

Protects rocky terrains from landslides and rockfalls with advanced techniques. Reinforces rock formations to ensure safety and preserve infrastructure. Reliable solutions for long-term stability and protection.

- Prevents landslides and rockfalls with advanced stabilization techniques.
- Enhances safety and stability of rocky terrains for long-term protection.

Fire Proofing

Safeguard your property with our advanced fireproofing solutions. We use high-quality materials to effectively prevent and withstand fire hazards. Ensure comprehensive protection and peace of mind with our expert installation.

Trust our expertise for reliable, long-lasting fire safety.
